Members were reminded that Local Councils are required to take action by 26 July 2016 in respect of Adoption of a revised

Model Code of Conduct to reflect the amendments and in accordance with Section 51 of the Local Government Act 2000.

The Council had previously written to Mr. Trevor Coxon, the Monitoring Officer at Wrexham County Borough Council regarding training or briefing events for Wrexham Town and Community Councils in respect of the amendments to the Model Code of Conduct. The revised £137,000 figure should now be included within the Insurance Policy together with updated information on payroll and the write-off of the four park benches from the Council's asset register. The insurance for Acton Community Council to 31 May 2017 is due for renewal 1 June 2016. Based on no changes from last year, the premium for this is £1,014.46 including insurance premium tax (IPT).

2. **Wrexham Bus Station:** Reference was made to a report to be submitted to the June 2016 meeting of the Executive Board to consider remedies for the management of the premises. It was noted that a small

charge for use of the toilets would produce sufficient income based on passenger levels to employ an attendant for the Bus Station Toilets which should help resolve the current issues there.

RESOLVED – that the present position be noted.

12 ANNUAL ACCOUNTS 2015/16

- 1 **INTERNAL AUDITOR'S REPORT AND ACTION PLAN:** Members considered a copy of this report and action plan. The Internal Auditor had indicated that all outstanding issues from previous Internal Audit Action Plans up to 2013/14 had been implemented or noted. 2. *subject to the Clerk amending and intitaling line 12 of the Accounting Statement for 2015-16 from £140,624 (reflecting the Insurance re-valuation of the Maesydre Power House) to £124,630 the static asset value as there has been no movement in fixed assets during the year, and requesting the Council's insurer to increase the insured value of the Maesydre Powerhouse to reflect the revaluation of the building in March 2016, the Statements as set out in Sections 1 and 2 of the Annual Return for the year ended 31 March 2015 be approved; and*

APPLICATIONS FOR FINANCIAL ASSISTANCE

INTRODUCTION

In September 2009, the Community Council determined its procedure to deal with requests for financial assistance from Organisations that work or are based in the Acton Community Area; this report summarises the applications received to date and reminds members of the Grants/ donations that have been awarded during the previous financial year.

PURPOSE OF REPORT

To consider the application for financial assistance submitted in accordance with the Policy agreed at the September 2009 meeting of the Council.

DECISION REQUIRED

To determine the application for financial assistance included in this report submitted in accordance with the Community Council's Policy agreed in September 2009.

INFORMATION

1. Members may recall that in September 2009 the Community Council, agreed its process and Policy for considering applications for financial assistance made under the provisions of Section 137 of the Local Government Act 1972 (as amended). (Minute 48 September 2009 refers). At that meeting, a standard financial application form was approved and is now circulated for completion to all persons and organisations seeking financial assistance from the Community Council. This ensures that the information from each applicant is received in a consistent format and all questions frequently asked by members are answered.
2. To ease pressures on the Council's budget, its Policy is to consider applications on a quarterly basis with the budget apportioned equally to each quarter to allow the Community Council to be more focused and equitable when determining financial assistance applications. The emphasis and focus of financial assistance is on providing pump priming to help local community groups to become self-financing rather than providing a regular guaranteed grant income year on year that may preclude other new local groups from being established to the benefit of the community. The quarterly meetings are March, June, September and December each year.
3. The Local Government Act 1972 sets out in Section 137, the powers and scope for a Community Council to make expenditure that benefits the local Community. Additional powers are also contained in Section 145 of the Act. A sum of £3,250 has been set aside in the estimates of Income and Expenditure for the year ended 31 March 2017 for this purpose.
4. The current Budget Allocation is much less than the limit permitted by Section 137(4) (a) of the Local Government Act 1972. For Parish and Town Councils in England and Wales, an amount of £7.42 per person of the Community Councils' population is permissible for 2016/17. The Acton Community Tax base for 2016/17 is 5763. An extract will be available at the meeting of the powers contained in Section 137 of the Local Government Act 1972 that enables the Community Council to incur expenditure, which in their opinion is in the interests of, and will bring direct benefit to their area or any part of it or all or some of its inhabitants. Attached at Appendix 1 and Appendix 2 for information is a summary of the Financial Assistance Grants awarded during 2014/15 and 2015/16
5. As this is the first quarterly meeting in the current financial year, the Community Council has yet to award any grants.

1. NAME AND ADDRESS FOR CORRESPONDENCE:

**Debbie Rowley – Tenovus Cancer Care, Gleider House, Ty Glas Road, Cardiff CF14 5BD

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

To support Cancer Patients and their loved ones in your local community.

3. TELL US ABOUT YOUR ORGANISATION. WHAT DOES IT DO? WHO DOES IT HELP IN THE ACTON COMMUNITY COUNCIL AREA? WHERE ARE YOU BASED? WHEN AND HOW OFTEN DO YOU MEET? HOW LONG HAVE YOU BEEN ESTABLISHED?

At Tenovus Cancer Care our aims are simple. We want to help prevent, treat and find a cure for cancer. We do this by offering support, advice and treatment to cancer patients and their loved ones. We also promote healthy lifestyles and fund cancer research to find new ways to prevent it, diagnose it, and treat it. We do this where it is needed most - right at the heart of the community.

One of our local services is our Wrexham Sing With Us Choir. This last year we have helped 2 people in the Acton area. One of which is a member of the choir. The choir offers support to anyone affected by Cancer. This could be a patient, survivor, carer, or someone who has lost someone to cancer. They meet once a week, have 30 minutes to catch up with each other, and then sing and rehearse for 1 hour.

Singing in a choir for just one hour boosts levels of immune proteins in people affected by cancer, reduces stress and improves mood, which in turn could have a positive impact on overall health, a new study by Welsh cancer charity Tenovus Cancer Care and the Royal College of Music published today in *ecancermedalscience* has found.

The research raises the possibility that singing in choir rehearsals could help to put people in the best possible position to receive treatment, maintain remission and support cancer patients.

The other patient accessed services through our ManVan, which visits the Wrexham area in the first week of every month.

Patients in the Acton and Wrexham area also have access to our qualified Cancer Support Advisor, who tell people affected by cancer if there's any money they might be entitled to. So when cancer patients or their loved ones have money on their mind, they can talk to us. And that's one less thing to worry about.

We have a Cancer Support Advisor who offers their support on welfare and benefits advice to Cancer Patients and their loved ones at Wrexham Maelor Hospital this is a drop in service and no appointment is required.

I am the local community fundraiser for North Wales, and work from home in Abergele, but travel across the area supporting volunteers, supporters, local businesses etc to raise funds.

Tenovus Cancer Care is now 72 years old.
