DECISION REQUIRED

CO-OPTION PROCEDURES – (ADVICE GIVEN BY THE RETURNING OFFICER)

The Returning Officer has given the following advice in respect of the Co-option Procedure:

- 1 “A person must be qualified, and not disqualified, to serve as a councillor in order to be co-opted. The person co-opted must receive an absolute majority vote of the councillors present and voting. The council may have Standing Orders which relate to the co-option of Members. Where there are more than two candidates for the vacancy, it would be best practice, for example, to run a series of votes, each time removing the candidate who has the least number of votes until one candidate secures an absolute majority.
- 2 The usual rules on voting apply. Provided that the meeting has a quorum, the decision must be made by a majority of members who are present and voting. The person presiding over the meeting may vote, and if there is an equality of votes he may exercise his casting vote. Members must vote by show of hands unless the council has standing orders that provide otherwise.
- 3 The Council’s debate and vote on the co-option must be conducted in the public section of its meeting. It follows that the candidates, as members of the public, will be entitled to be present during the proceedings.”
