111 INFORMATION FROM THE MINUTES

- 1. Minute 96.1 - Costings and Viability of Providing a CCTV Camera in areas where Anti-Social Behaviour takes Place In The Acton Community:** The Clerk reported on the update provided by Councillor Paul Jones in his absence on the progress of continuing discussions with a Wrexham CBC officer from WCBC, who is purchasing several cameras for use throughout Wrexham. The intention is to pilot a camera in the Ashton Grove/ Park Avenue area and calculate the ongoing costs. If the pilot is successful there will no charge for the camera, but an expectation that the Community Council contributes to the ongoing costs yet to be determined, but unlikely to exceed £2000 per year. Members asked for clarification about the capability of the CCTV Camera to be used anywhere and how the camera images will be monitored. The present position was noted.
- 2. Minute 98 - Section 116 Local Government (Wales) Measure 2011:** Co-Option of Members to fill the two casual Councillor Vacancies in the Borrass Park and Little Acton Wards. The Clerk reported that the two vacancies have been advertised since 2 January 2018 and the outcome will be reported to the 20 February Council meeting. The present position was noted.

- 4. Minute 102.2.6 SLA School Crossing Patrols:** The Clerk has received notification from Wrexham CBC since the last meeting that the pay provision for 2018/19 will result in a 9.2% increase in costs and the budget is potentially £1,000 under provided for as a result but any overspend on this budget can be met from general reserves.
- 5. Minute 103.1 General Data Protection Regulations (GDPR):** IT was noted that a quote has been received from Microshade VSM and it will be considered at the end of the meeting under Part 2 of the agenda.

112 KEY ACTON ISSUES

WCBC Members reported verbally on any new or Key Issues being considered by the County Borough Council that may affect the whole or part of the Community of Acton as follows:

1. Bus Services in the Acton Community – work was continuing by Wrexham CBC officers to identify a suitable Bus Operator to replace affected bus services following the operational withdrawal of D Jones & Son, particularly the 44 and 35 Services
2. Budget – The process is ongoing
3. Council Flats off Coopers Close – A new electronic door had been installed to assist disabled and wheelchair users

The Chair thanked the Wrexham County Borough Councillors for their updates.

113 CONSULTATIONS

Members considered whether to make any comments on the following consultation papers received since the last meeting:

- 1. Proposal for establishment of a new Welsh Medium Primary School on part of the Borrass Park Community School Site:** Further to Minute 86.2 November 2017, the Acting Chief Executive of Wrexham CBC had offered sincere apologies for not having informed the Community Council about its proposals to establish a Welsh Medium Primary school at the Borrass Park Community School site and the consultation as part of this process. To rectify this matter, the consultation period has been

extended from 18 December 2017 to 30 January 2018 to provide an opportunity for the Community Council and other interested stakeholders to consider the proposal and a response. It was noted that Councillor D Wallace had arranged for a Public Meeting to be held on 25 January 2018 when the Lead Member from Wrexham CBC Councillor Phil Wynn would be in attendance.

RESOLVED – that Wrexham County Borough Council be informed that Acton Community Council has now considered this matter and wishes to submit objections for the location of the proposed school on the Borrass Park School Site as follows: -

- 1. The impact on congestion on the highways in the vicinity of the school which are already gridlocked at the start and end of the school day. The road infrastructure does not have capacity for the additional traffic that will be generated as a result of siting a second 210 place school on this site. The Community Council is mindful of the 2013 road safety/usage risk assessments for the Borrass Park Schools and Dean Road junction with Borrass Park Road, which resulted in the Community Council funding two School Crossing Patrols at these locations. The proposal will exacerbate the Health and Safety situation despite the 20mph speed limit due to lack of on street parking, which will also impact on Emergency vehicle access during these times.**
- 2. The siting of the School will have an adverse impact on local Commerce in the Borrass Shopping Parade, other businesses within the immediate vicinity during drop off and pick up times and affect access at key times to the Borrass Park Doctor's Surgery which is located within the Borrass Community School Complex.**
- 3. The Proposed new Welsh Medium school will result in an overdevelopment of this site with loss of Open Playing Field Space and the loss of the Award winning Eco School Environmental Community Garden site within the Infant School section of the current site which has been cited in a Good Practice Study by Estyn and has received a Green Flag Award for Forest Schools.**

Acton Community Council strongly urges that careful consideration be given to other sites within the Acton Community which are better suited to accommodate this new Welsh Medium School. The sites the Community Council would recommend are the former Groves School Building on Penymaes Avenue and the feasibility is assessed of Acton Community School land being used for this new Welsh School as there is more land available and greater options for creating a separate access to the new School.

(Councillor Mrs Anne Evans having previously declared a personal and prejudicial interest in this item as the Chair of Governors at Borrass Park Community School left the meeting taking no part in the discussion or voting on this item.)

- 2. Public Survey -Office of the North Wales Police and Crime Commissioner:** Email dated 18 December 2017 advising that Keeping North Wales a safe place to work, live and visit is everyone's concern, and the Public's views are important in assisting the Commissioner to determine the budget for 2018/19, specifically whether the precept should increase. It was noted that as the closing date for responses was 15 January 2018, the Clerk to the Council had circulated this information to all members of the Council so that they would have the opportunity to reply on an individual basis. The survey can be [accessed here](#). It was noted that due to the short timescale and the Community Council's approved Calendar of Meetings, the Council has not been able to consider this Consultation before the deadline.

The present position was noted.

Case Number/ Address	Proposed Development	Decision
*P/2017/1045 The Law Courts Bodhyfryd Wrexham	Demolition of link to adjacent Police building and erection of new two-story custody suite to County Court Building together with associated external works and new access	The Community Council recognises that the design and layout of the building is subject to the requirements of the Ministry of Justice Service and welcomes the retention of the Magistrates Court in the Wrexham Town Centre. The Council has no objection to this proposal but recommends that if the Application is granted, consideration should be given to imposing conditions relating to the plain pitched roof to ensure there are sufficient security measures put in place within the design of the building to ensure Public Safety; and that trees of equal amenity to any felled for the new building and access are planted and should improve the diversity of trees and ensure tree health.
*P/2017/1048 9 Ainsdale Grove Wrexham	Single - Storey Rear Extension	The Community Council notes that the proposed structure to the rear of the house is much bigger than the current conservatory and has no objections provided the Chief Planning Officer is satisfied that the building size is appropriate and proportionate to the garden and plot of this property.

REPORT FROM THE CLERK TO THE COUNCIL

SECTION 116 LOCAL GOVERNMENT (WALES) MEASURE 2011: CO-OPTION OF MEMBERS

INTRODUCTION

Further to Minute 98 December 2017, the Community Council currently has two casual vacancies in the Borrass Park and Little Acton wards which the Council must fill by co-option. The necessary steps to fill the vacancies together with the appropriate Public Notices have been on display since 2 January 2018 in accordance with Section 116 of the Local (Wales) Measure 2011

PURPOSE OF REPORT

To enable Members to consider any expressions of interest submitted to the Clerk to the Council by noon on 19 February 2018 in accordance with Section 116 of the Local (Wales) Measure 2011. Any expressions of interest received will be circulated after the deadline and the Candidates will be invited to give a short two or three minute presentation to the full Council on why they have expressed an interest and consider that they are qualified to be considered for co-option onto the Community Council.

DECISION REQUIRED

To consider the Expressions of Interest received and if appropriate, to proceed to fill the casual vacancies in the Borrass Park and Little Acton Wards by Co-option in accordance with the requirements of Section 116 of the Local Government (Wales) Measure 2011.

INFORMATION

Members must give consideration to any expressions of Interest received by noon on 19 February 2018 and to assist with the filling of the vacancy by co-option at the Meeting, listen to the supporting statement given by any Candidates. If there are any vacancies remaining after consideration of this report, the Clerk should be authorised to re-advertise the vacancies in order to meet the requirements of Section 116 of the Local Government (Wales) Measure 2011.

CO-OPTION PROCEDURES – (ADVICE GIVEN BY THE RETURNING OFFICER)

The Returning Officer has given the following advice in respect of the Co-option Procedure:

- 1 “A person must be qualified, and not disqualified, to serve as a councillor in order to be co-opted. The person co-opted must receive an absolute majority vote of the councillors present and voting. The council may have Standing Orders which relate to the co-option of Members. Where there are more than two candidates for the vacancy, it would be best practice, for example, to run a series of votes, each time removing the candidate who has the least number of votes until one candidate secures an absolute majority.
- 2 The usual rules on voting apply. Provided that the meeting has a quorum, the decision must be made by a majority of members who are present and voting. The person presiding over the meeting may vote, and if there is an equality of votes he may exercise his casting vote. Members must vote by show of hands unless the council has standing orders that provide otherwise.
- 3 The Council’s debate and vote on the co-option must be conducted in the public section of its meeting. It follows that the candidates, as members of the public, will be entitled to be present during the proceedings.”
