Original proposal was carried by 10 votes for, 0 against with two abstentions. The proposal to donate £2000 was carried with a majority of 10."*

**2. Minute 151.2ii) Financial assistance proposed by the Chair and Vice Chair during the Covid 19 lockdown** Councillor Ralph Hardy requested the addition of the following contextual information to this Minute after "(Councillor Ralph Hardy declared etc.. donation for the Friends of Dean Road Playing Field " and before "that he did not have any prejudicial interest.":-

**RESOLVED – that subject to the inclusion of the two amendments as set out in 1. and 2. above, the Minutes of the Remote Council meeting held on 19 May 2020 be received and confirmed as a correct record**

## **162. INFORMATION FROM 19 MAY 2020 MINUTES:**

**1.Minute 155- Service Level Agreements : Caia Park Partnership – Open Access Youth Work:** It was noted that a detached style service had commenced and been given slots on Thursdays and Fridays late afternoon/evening on a consistent weekly basis as these times/days will be more beneficial for the area. The Service focus was targeting the Acton park area and any other area identified as having groups of youths not adhering to guidance and law. The present position was noted.

**2. Minute 155.v) – Service Level Agreements: Acton Park Play area:** It was reported a small Group of Community Councillors has met with Councillor Bithell and questioned the value for money of this service level agreement given the ongoing issues with the condition of the safety surfacing at the site despite the best endeavours of the Community Council. Costings are now being sought on different surfacing options and the need for any solution to require low level maintenance. It was recognised that the Park and Play area is not in the Community Council's ownership and any proposed works cannot be carried out without the consent of Wrexham County Borough Council. Members suggested that if the current situation cannot be resolved once costings are known and the consent of Wrexham CBC has been sought; this matter should be referred to the Audit Committee of Wrexham CBC to investigate whether the service provided is value for money given the public money that is being used to fund this Service. The present position was noted.

## **163. COMMUNITY POLICING MATTERS**

The Monthly Policing and Operations Report from the Acton Community Police Officers was considered in their absence. Members referred to the recent report concerning the Traveller encampment that had set up on Acton Park and various issues arising from the situation. Options to try and prevent a similar situation again including the formation of a ditch or a bund around the perimeter of the Park were suggested. Members noted that there was a due legal process to go through in situations such as this. The Local Development Plan for Wrexham proposes some solutions for Gypsy Traveller sites. In the meantime trespass such as this was a civil matter.

**RESOLVED – that the Acton Sector Policing Team be thanked for their report and the Operational work they are carrying out during the Covid 19 lock down particularly at Acton Park.**

It was noted that there had been no urgent matters to deal with since the last meeting.

**169. VOLUNTEER WORK TO ENHANCE THE ENVIRONMENT AT JEFFREYS ROAD**

The Chair advised that this item had been placed on the Agenda at the request of Councillor Debbie Wallace. The poor condition of these railings has been on going issue for some time and Wrexham CBC have declined to replace this fencing due to funding difficulties. The residents understand the situation and have offered to take the opportunity during the lockdown themselves to paint the railings as this will enhance the area. Councillor Wallace has liaised with Kevin Edwards at Wrexham Council and he has given a guidance document on risk assessment for the residents to have so they can do their own risk assessment, which will then be sent to Kevin Edwards at Wrexham Council. It was noted the Council’s own liability insurance can be used to support the volunteers given that Councillor Wallace will oversee their work on behalf of the Council.

**RESOLVED –**

**i) To fully support this initiative and authorise a group of Volunteer residents under the supervision of Councillor Wallace to paint the Jeffreys Road railings during the lock down, subject to**

**a) a full risk assessment being carried out and lodged with Wrexham CBC and the Community Council’s Insurers;**

**1. AUGUST RECESS ARRANGEMENTS:** Further to the setting of the Council's meeting dates for 2020/21 (Minute 165.4 May 2020 refers) The Council will be in recess during August and arrangements should be put in place to deal with any urgent business that arises during the recess.

It is **RECOMMENDED** that that the Clerk to the Council in consultation with the Chair and Vice Chair of the Community Council be authorised to deal with any urgent issues that arise during the August recess and report thereon to the September 2020 meeting of the Community Council.

**2. SERVICE LEVEL AGREEMENT: FFORDD GARMONYDD SAFETY SURFACE:** Wrexham County Borough Council has advised that existing bark safety surface is now rotting down and is a perfect surface for the weed growth. Staff are now on site every month rotavating the surface. This cannot be sustained and the more the chip rots down the lower the protection it provides as a safety surface, if a child does fall from an item of equipment. The Community Council has been asked on numerous occasions to change over to grass and safety mats, but has declined. Therefore the bark surface now needs topping up before the Autumn months to ensure the safety of the play area users, once the facility is reopened again.

The Community Council has been asked to agree for WCBC to remove the rotting bark and dispose to approved tip, replace with 20 cubic meters of new play grade bark chip and make good the area after work has been completed. This should last approx. 3 years before it needs doing again. The total cost of the works is £1,200.00
