

Coronavirus Community Volunteering

During the coming weeks, our stretched Health and Social Care service will need support from volunteers within their community. Pressures will arise as a result of increasing demand and the risk of staff reductions due to self isolation. The tasks which will be open to volunteers are likely to be dependent upon local requirements and in relation to the ongoing situation.

As the situation changes there will be numerous roles that you can help with. Please register your interest on the Volunteering Wales website using the link below.

Volunteering Roles:

- ✓ **Drivers with own vehicle** – delivering items, collecting/dropping off staff.
- ✓ **Catering and Cooking** – cooking a meal for an elderly neighbour, or supporting health staff
- ✓ **Childminding** – helping at local childcare settings, baby sitting for a neighbour who works
- ✓ **Administration** – answering the telephone and/or computer inputting
