

Wrexham Council will close and demolish Little Acton Community Centre unless Acton Community Council takes on a long term lease. In principle we would like to ensure the future of the building because it serves a vital role for local residents. However, we need to know how much community support there will be for the retention of the Centre. Your feedback will prove invaluable to us.

A Public Information and Consultation event will be held at the Little Acton Centre on Saturday 21st March, 2020 from 10am until 12pm. **This Consultation will end on Friday 27 March 2020**

Please fill in this form and return it to: Mrs Carole Roberts, Clerk to Acton Community Council, c/o Acton Community Resource Centre, Overton Way WREXHAM LL12 7LB
