## Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange ([www.audit.wales/good-practice/finance/community-council-money](http://www.audit.wales/good-practice/finance/community-council-money)) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2017) equals the balance brought forward in the current year (line 1 of 2018). Explain any differences between the 2017 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in the accounting statements. More help on bank reconciliation is available in the Practitioners' Guide\*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**
