ACTON COMMUNITY COUNCIL – S137 GRANT /DONATION APPLICATION GUIDELINES

The Community Council considers applications for financial assistance using the following guidelines on a quarterly basis with the annual £10,000 budget being apportioned equally each quarter to allow the Community Council to be more focused and equitable when determining financial assistance applications. The quarterly meetings are held in March, June, September and December each year.

The following guidelines have been adopted by Acton Community Council with effect from 1 April 2019. The hierarchy model as illustrated is based on a three tier system that assesses the level of need around the population that is being served. In addition, priority will be given to groups within the Acton Community or those groups that are providing for residents in the Acton Community.

The three tier system caps the amount of funds made available to deserving organisations. This is a more equitable system as decisions will not be made on an ad-hoc basis. It is accepted there will be anomalies within the system, but these will be dealt with on the merits of the submitted application on a case by case basis. By way of explanation: -
