RESOLVED - that the following observations be made on the applications as set out below:

Case Number/ Address & Proposed Development	Decision
1. P/2025/0953: Works to trees protected by tree preservation order WCBC 273 at 27 Fairmount Road, Wrexham LL13 9GX	<i>No objections subject to the Council's Arboricultural Officer being satisfied that such works are necessary to ensure the health of the tree and any works are carried out under his supervision and direction</i>
2. P/2025/0954: Front and rear single storey extensions at 21 Jeffreys Road, Wrexham LL12 7PB	<i>No observations</i>
3. P/2025/0847: Change of use of building from Class C3 (dwelling) to Class 4 (House in multiple occupation) at 18 The Beeches, Wrexham LL12 7BL	<i>The Community Council objects to this planning application. The proposal is out of character and not in keeping with the area. The proposal is an over development of the property and raises concerns over highway safety due to the additional vehicular traffic to be generated from this change of use. The plan indicates a lack of parking for 3 to 4 cars within the site curtilage. Wrexham Planning Guide note 5 states that a vehicle should be able to enter or leave each parking space even if other parking spaces within the parking area are occupied. There is limited on street parking in the vicinity of the property</i>
4. P/2026/0016: Single storey rear extension at 23 Westminster Drive, Wrexham LL12 7AT	<i>No observations</i>

REPORT FROM CLERK ON PROCEDURAL MATTERS:

1. SERVICE LEVEL AGREEMENT REPORTING: CITIZENS ADVICE BUREAUX – ACTON OUTREACH SERVICE: To consider the Q3 SLA Report for 2025/26 (Copy attached at Appendix 1)

2. ACTON COMMUNITY AGENT: To consider the Agent's January 2026 reports on her activities and interaction with Acton Community residents aged 50 and over. (Copies attached at Appendix 2)

3. APPOINTMENT OF INTERNAL AUDITOR & INTERNAL AUDIT PLAN 2025/26:

The Council should ensure the Independent Internal Audit testing during 2026/27 for the 2025/26 Financial Year end and in year Internal audit Services meet the requirements as set out by the Audit Commission for Wales the current Accounts and Audit Regulations and the Governance and Accountability for Local Councils in Wales – A Practitioners Guide (2019).

The Council should review and appoint its internal auditor each year. Guidance states that internal audit must not influence the direction or extent of the review however it is good practice to seek their input and to ensure that adequate internal controls are in place. The existing Internal Auditor has provided an Internal Audit Plan for 2025/26 which is attached at Appendix 3. The Auditor has confirmed that there are no changes to the terms of engagement from last year - there will be one annual audit conducted after the year end between April and June at a date agreed with the Council. There will be one annual audit report issued which will also follow up any issues raised in the previous year. An assurance has also been submitted by John Henry, confirming continuing independence in his role as internal auditor for the 2025/26 financial year and this can be assumed to be the case for future financial years unless informed otherwise in writing.

It is **RECOMMENDED** - that the matters now reported to the Council for the renewal of the current arrangements with JDH Business Services Limited concerning the provision of an internal audit service, be accepted and a letter of engagement detailing the Internal Audit Plan for 2025/26 as reported to the meeting, be signed by the Chairman and Clerk and forwarded to JDH Business Services Limited.

The client is in receipt of Universal Credit (UC) and Council Tax Reduction (CTR). The client has disclosed that they have been diagnosed with severe mental health issues and this caused the loss of their most recent period of employment. Client is struggling with the cost of living. The client disclosed that they are in a “Spiralling” debt situation due to unemployment and this is only exacerbating their current predicament.

Support & Advice at Outreach

A thorough assessment of the clients current situation was carried out by the advisor. It was acknowledged that the client is not currently in receipt of any disability-related benefits but is in receipt of the correct entitlement of Means Tested Benefits. We advised the client that they may have an entitlement to both Personal Independence Payment (PIP) and Limited Capability for Work (LCWRA) components of their UC award. We further carried out a debt assessment to clarify the current debt situation and identified £4,673 of Priority Debt and £2,878 of non-priority debts. During the appointment the client was offered Crisis Support in the form of Food Vouchers, Fuel Vouchers and an application to the Discretionary Assistance Fund (DAF). The client was also provided with details of Advance Brighter Futures (ABF), a Wrexham-based organisation which supports people with mental health issues.

The client was offered further appointments to support an application for PIP and to complete a UC50 Work Capability Assessment form. In addition, the client attended an appointment with the CA Wrexham Debt Team who have worked with the client to provide financial and budgeting guidance and support with contacting their creditors. The client was given Energy Advice and information on saving money through energy efficiencies and reducing expenditure. The client confirmed that they had engaged with ABF and welcomed the ongoing support they have provided.

Internal Audit Plan 2025/26

Introduction

According to 'Governance and Accountability for Local Councils in Wales – A Practitioners Guide (2019)', the purpose of internal audit is as follows:

'To review whether the systems of financial and other control are effective.'

This audit plan sets out how we intend to carry out the review of whether the systems of financial and other control are effective at your council. Our letter of independence can be located at page 4.) of this document.

What can you expect?

The annual internal audit work is detailed in this plan and comprises one year-end internal audit and the issue of one internal audit report. All Councils receive internal audit reports that detail our audit findings, this is in addition to the internal audit section on the annual return and should be presented to Council annually in order for the Council to agree actions and to address any recommendations.

Snapshot of our services

We are a registered firm, fully authorised for audit activity, with the Institute of Chartered Accountants in England and Wales and have implemented arrangements to meet this Institutes' Practice Assurance scheme.

The focus on public sector internal audit has resulted in a substantial client scope extending over 12 counties in England and Wales. The economies of scale associated with a large portfolio of local council internal audits has resulted in competitive fees for a specialist service from highly skilled and experienced staff. This also enables us to identify and share best practice between clients to support continuous improvement

Audit Plan

Scope

Our responsibilities are solely confined to carrying out the internal audit testing as specified by Audit Wales in the Annual Return for Local Councils in Wales.

Internal Audits

One audit is planned after the year-end.

Timescale

The audit will be carried out between April and June. The timescales will be agreed with the Clerk in March.

Unplanned Work

If necessary, work will be varied to include areas where significant weaknesses are identified. No contingency for unplanned work has been included in the plan and each issue will be dealt with as it arises. Examples of unplanned work are:

- Investigations
- Requests from the Council
- Additional work required on planned activities

Reporting

Reports will be provided to the Council after each audit summarising:

- Issues Identified
- Recommendations
- Follow up of previous recommendations

The Internal Audit Plan will be kept under continuous review within the context of achieving overall objectives. Should significant amendments be necessary these will be discussed and reported to the Council at the earliest opportunity.

Access to Information, Members and Officers

We require access to such records and information as is necessary to carry out the required system and transaction testing, and full access to those charged with governance (i.e. members of the council), as required.

Internal Audit Approach: The internal audit comprises the following:

- ☐ Checking that books of account have been properly kept throughout the year
- ☐ Checking payment internal controls to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditure is approved, and VAT is correctly accounted for
- ☐ Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks
- ☐ Verifying that the annual precept request is the result of a proper budgetary process; that budget progress has been regularly monitored and that the council's reserves are appropriate
- ☐ Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for
- ☐ Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for
- ☐ Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied
- ☐ Checking the accuracy of the asset and investments registers
- ☐ Testing the accuracy and timeliness of periodic and year-end bank account reconciliation(s)
- ☐ Year-end review of the financial statements
- ☐ Where the council is sole trustee to a charity, reviewing whether the council has met its responsibilities as a trustee

Remote internal audits: In the instance that the internal audit is carried out remotely, we will issue the Council with a list of records to be submitted electronically. Samples will be selected and photos/scans of source documents will be requested to be provided through our secure portal.

Dear Clerk

Re Internal Audit for the year ended 31st March 2026

REPORT FOR INFORMATION

REPORT TO:	Wrexham Town and Community Council Forum
DATE:	29 January 2026
CONTACT OFFICER:	Linda Roberts, Monitoring Officer
SUBJECT:	Updates to the Model Code of Conduct

1 PURPOSE OF THE REPORT

To update Town and Community Councils on the recent changes to the Model Code of Conduct for relevant authorities in Wales

2 INFORMATION

- 2.1 The Model Code of Conduct in Wales is set out in Schedule 1 of the Local Authorities (Model Code of Conduct) (Wales) Order 2008. The Order applies to all relevant authorities including county borough councils and community councils. All such bodies are required to adopt the Model Code of Conduct, and changes made to the Model Code.
- 2.2 The Model Code of Conduct has recently been updated by the Local Government (Standards Committees and Member Conduct) (Miscellaneous Amendments) (Wales) Regulations 2025. The changes came into effect on 5 January 2026.
- 2.3 The changes made to the Model Code of Conduct are:

Add a definition to the Interpretation section:

'Protected characteristics ((nodweddion gwarchodedig) has the meaning given by section 4 of the Equality Act 2010'

Amend paragraph 4(a):

Delete words 'gender, race, disability, sexual orientation, age or religion'

Add words 'protected characteristics or socio-economic circumstances'

2.4 The amended paragraph 4 now reads:

You must:

(a) carry out your duties and responsibilities with due regard to the principle that there should be equality of opportunity for all people, regardless of their protected characteristics or socio-economic status.

2.5 The updated Code now covers all protected characteristics under the Equality Act which are currently:

- a. sex
- b. race (including colour, nationality, ethnic or national origins)
- c. disability
- d. sexual orientation
- e. age
- f. religion or belief
- g. gender reassignment
- h. pregnancy and maternity
- i. marriage and civil partnership

2.6 The addition of the socio-economic circumstances means that Members must not discriminate against or show disrespect towards someone because of:

- a. their income
- b. their social class
- c. whether they are in or out of work
- d. their housing situation
- e. their level of education
- f. other factors linked to economic disadvantage

2.7 The changes reflect Wales's wider commitment to tackling inequality and promoting fairness. Councillors should remember that:

- When you do your work as a councillor, you must make sure everyone has a fair and equal chance, whatever their protected characteristics or their financial or social situation.
- You must not behave in a way that could be seen as discriminatory, and you must not do anything that makes it harder for your council to meet its legal responsibilities to promote equality.
- You must not do anything that could damage the council's reputation — even in your private life, including private WhatsApp messages.

2.8 Under the Local Government Act 2000, relevant authorities have a duty within 6 months to revise their code of conduct with any mandatory changes.

Acton Community Council

30/01/2026

Dear Community Councillors,

As you are aware, I secured £1.5 million from the UK Government for Wrexham for Pride in Place Impact Funding. Earlier this month, Wrexham County Borough Council explained that this funding will be divided between Community Councils across the County Borough.

In November last year, I asked constituents to suggest ideas for how this funding could be spent in their area. I have included the key headline figures from the survey below.

1. Community Priorities and Key Findings

A. Core Funding Priorities

Funding Area	Count	% of Total
Public spaces	114	30%
Community safety	76	20%
Youth services	68	18%

B. Specific Issues to Address

- Enhancing local amenities: 185 selections
- Tackling anti-social behaviour: 182 selections

2. Community Sentiment and Urgency

Metric	Positive Count	Negative Count
Community Safety Importance	285 (Imp/V. Imp)	20 (Not Imp)
Public Spaces Satisfaction	83 (Sat/V. Sat)	123 (Dis/V. Dis)
ASB Efforts Rating	44 (Eff/V. Eff)	138 (Ineff/V. Ineff)

Also included with this letter are individual comments made by people about your specific areas (if applicable) which could give you an idea of what people would like to see the money spent on or give a starting point to further community consultation. Unfortunately, not all areas had comments submitted but many were. I know that some community councils such as Acton already have an identified project in mind for the funding but for those that do not, I hope this information will be of help to you.

Please do get in touch with me if there is any further information you need or support I can give.

Best regards,

DISCLAIMER: COMMENTS LIFTED FROM THE SURVEY AS WRITTEN, TO REFLECT VOICE OF CONSTITUENTS

Acton

Acton Community Council would like to make improvements to the play facilities at Acton Park. The current offering is aimed at the youngest residents and not accessible for all. We have some funds but we have a big opportunity to make a huge difference if more funds were possible.

I'd love to see the 9-Acre site made safely accessible from all sides. At present the only gate is near the changing rooms on Westminster Drive. Push forward the Tree planting here (& on the old Groves school grounds & allow pedestrian access.

There is a small garden area attached to Acton Community Resource Centre which is in an extremely poor state and not safe to be used by the groups who use the centre regularly. It would be a good space to be used by the Mums and Tots group that meet there regularly as it's the only outside space available that is actually part of the centre. It could be brought up to the level of the centre (it's currently lower) and be set up as a small play space with suitable flooring and equipment.

Flower beds with outdoor seating in Acton Park for Older people.

Better park facilities at Acton Park- outdoor gym, splash park, footy pitches etc There is a small anti-social element within Acton Park which is difficult to Police due to the numerous paths and exits and the nature of the anti-social behaviour using bikes. A scheme to provide night time lighting on the main routes through the Acton Park would encourage further use by the wider community, particularly once British Summer time has ended. such groups may include dog walkers, health and fitness and Youth organisations such as the Scouts. The Park is a wonderful resource that should be safe and capable of being used by the whole Community for as long as possible each day.

Acton Park (toilet facilities/ cafe) Little Acton community centre.

Improve 9 Acre field. Sort out old Grove Park Girls School

The Nine Acre field has been opened up, but is not being used as a park for children to play in. It is being used mostly as a dog walker's paradise which prevents use as a park, or public open space because of the dogs running freely round the field and the dog mess left behind. Borrass park Albion football use it but a marked football pitch, with goal posts would enable other children

to use the space, together with an area for playground equipment would be ideal. If dogs are allowed to run loose they should be in a separate enclosed space

A toilet and cafe in Acton Park would be nice.

Preservation and enhancement of existing green spaces e.g in Rhosddu, Nine Acre Field ,Groves School fields .

Acton Park: Smooth paths for mobility users and install benches at regular intervals.

My husband and I frequently visit Acton Park and Alyn Waters country park and we greatly appreciate the planting and maintenance of both places.

No public/disabled toilets in Acton park. My wife cant enjoy the park as she is disabled and requires frequent visits to a toilet.
A coffee shop in Acton Park would improve it.
