INTRODUCTION

In February 2019, the Community Council reviewed its procedure to deal with requests for financial assistance from Organisations that work or are based in the Acton Community Area; this report summarises the applications received to date and reminds members of the Grants/ donations that have been awarded during the previous financial year.

PURPOSE OF REPORT

To provide details and enable the Council to consider the **six** applications for financial assistance submitted to date in accordance with the Policy agreed at the February 2019 meeting of the Council.

DECISION REQUIRED

To determine the applications for financial assistance included in this report submitted in accordance with the Community Council's Policy implemented from April 2019.

INFORMATION

1. The Community Council has reviewed and agreed its process and Policy for considering applications for financial assistance made under the provisions of Section 137 of the Local Government Act 1972 (as amended). (Minute 130.3 February 2019 refers). The guidelines agreed from 1 April 2019 set out the three tiers of grants available and the criteria for each tier are being sent with a standard two page financial application form to all persons and organisations seeking financial assistance from the Community Council. This ensures that the information from each applicant is received in a consistent format and all questions frequently asked by members are answered.
2. To ease pressures on the Council's budget, its Policy is to consider applications on a quarterly basis with the budget apportioned equally to each quarter to allow the Community Council to be more focused and equitable when determining financial assistance applications. The quarterly meetings are March, June, September and December each year.
3. The Local Government Act 1972 sets out in Section 137, the powers and scope for a Community Council to make expenditure that benefits the local Community where there are no other specific powers granted to the Community Council. Additional powers are also contained in Section 145 of the Act. A sum of £12,500 has been set aside in the estimates of Income and Expenditure for the year ended 31 March 2026 for this purpose.
4. The current Budget Allocation is much less than the limit permitted by Section 137(4) (a) of the Local Government Act 1972. For Parish and Town Councils in England and Wales, an amount of £11.10 per person of the Community Councils' population is permissible for 2025/26. The total number of Acton Community electors at 1 January 2025 is 10,343. An extract will be available at the meeting of the powers contained in Section 137 of the Local Government Act 1972 that enables the Community Council to incur expenditure (up to £114,807.30 in 2025/26), which in their opinion is in the interests of, and will bring direct benefit to their area or any part of it or all or some of its inhabitants. These are a power of last resort and the powers cannot be used to give a Grant or Financial Assistance to any one individual person. The Local Government and Elections (Wales) Act 2022 introduced the General Power of Competence, and the Power of Wellbeing can no longer be used by the Council.
5. Attached at Appendix 1 and Appendix 2 for information is a summary of the Financial Assistance Grants awarded during 2023/24 and 2024/25.
6. To ensure a fair and equal distribution of the £12,500 budget, it has been usual practice to apportion it equally between the quarterly meetings. This equates to £3,125 per quarter for 2025/26. During 2025/26 the Council has considered grant applications at its June, September and December

meetings totalling £5,400, (those decisions are set out below). Accordingly there is a sum of £7,100 remaining unallocated in the 2025/26 budget:

I have received six completed forms in the current quarter as listed below. The full application form is attached to this report and a copy of the supporting accounts and any other information provided will be available at the meeting.

Members are **REQUESTED TO DETERMINE** the following six applications for financial assistance:-

Organisation	Details	Decision
1. MS Wrexham CIC	They are applying for funding to help support people living with Multiple Sclerosis (MS) in the Wrexham area, including the Acton community. Many of the people they work with struggle to attend social events due to mobility and transport challenges, which can lead to extreme isolation. This grant would help them cover the cost of accessible transport, such as taxis or Chariots, to enable people to attend their coffee mornings, lunches and other meet-ups. It would also go towards venue hire and refreshments.	
2. Wrexham City Radio (formerly Wrexham Premier Radio)	They are looking for donations to add to the equipment offering in their two Studios and a podcasting suite. They would like to add further additions to their outside broadcast equipment.	
3. Marie Curie Daffodil Appeal 2026	The grant would support Marie Curie's Hospice at Home nursing service in Acton and the surrounding area (the Hospice at Home team and Companion service)	
4. Acton Park Community Angling Club	Due to ongoing cost pressures on the Club they are looking for assistance to help cover the increased operating costs this year due to Wrexham CBC increasing licence costs by nearly 30%, and timber and feed costs increases of 10-15%	
5. Wrexham Sounds	Wrexham Sounds is seeking £500 from Acton Community Council to deliver three, one-hour 'Music and Moments' workshops for older residents aged 60+ living in the Acton ward. The total cost of delivering these sessions is £180 per workshop (£540 total), and Wrexham Sounds will subsidise the remaining costs. 'Music and Moments' is a community programme designed to bring older people together through relaxed, inclusive music activities that support wellbeing and reduce loneliness.	
6. 1 st Acton Rainbows	As in previous years, their aim in 2026 is to provide new challenges and experiences for the girls to participate in as a group with their peers, rather than with their families. They hope to receive a grant to enable them to provide a really full and fun programme for all the girls without asking their families for more money.	
TOTAL		

Members are reminded that within the powers permitted by Section 137(4) (a) of the Local Government Act 1972 the Community Council cannot give financial assistance to an individual.

End of Applications received in time for March 2026 meeting.

Acton Community Council Guidelines for S137 Grants/ Donations

(Adopted April 2025)

ACTON COMMUNITY COUNCIL – S137 GRANT /DONATION APPLICATION GUIDELINES

The Community Council considers applications for financial assistance using the following guidelines: on a quarterly basis with the annual £3,500 budget being apportioned equally each quarter to allow the Community Council to be more focused and equitable when determining financial assistance applications. The quarterly meetings are held in March, June September and December each year.

The following guidelines have been adopted by Acton Community Council with effect from 1 April 2019. The hierarchy model as illustrated is based on a three tier system that assesses the level of need around the population that is being served. In addition, priority will be given to groups within the Acton Community or those groups that are providing for residents in the Acton Community.

The three tier system caps the amount of funds made available to deserving organisations. This is a more equitable system as decisions will not be made on an ad-hoc basis. It is accepted there will be anomalies within the system, but these will be dealt with on the merits of the submitted application on a case by case basis. By way of explanation: -

Tier One:

- a. Basic needs of Life:
 - Organisations or programs that ensure the basic needs of life are dispersed to members of our community, such as food, clothing and basic hygiene products
- b. Social/Cultural:
 - Organisations or programs that benefit youth within our community
 - Organisations or programs that benefit our elders and other members within our community

Tier Two:

- c. Recreational:
 - Outdoor recreation, such as football and other team sports
- d. Environmental:
 - Parks
 - Litter collection/management
 - Community greening/planting

Tier Three:

- e. Religious:
 - Religious organisations of all kinds that lie directly within our ward may receive funding if their donation request is for members of our community
- f. Larger Community

**APPLICATION FOR FINANCIAL ASSISTANCE TO ACTON COMMUNITY COUNCIL
(MADE UNDER SECTION 137 OF THE LOCAL GOVERNMENT ACT 1972, AS AMENDED)**

NAME OF ORGANISATION: MS Wrexham CIC

1. NAME AND ADDRESS FOR CORRESPONDENCE:

Rhian Williams and Helen Hughes, 14 Greenway View, Gresford, Wrexham, Wales, LL12 8HR.

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

We are applying for funding to help support people living with Multiple Sclerosis (MS) in the Wrexham area, including the Acton community. Many of the people we work with struggle to attend social events due to mobility and transport challenges, which can lead to extreme isolation.

This grant would help us cover the cost of accessible transport, such as taxis or Chariots, to enable people to attend our coffee mornings, lunches and other meet-ups. It would also go towards venue hire and refreshments.

The aim is to reduce loneliness, improve emotional wellbeing, and help people feel part of a supportive community.

3. TELL US ABOUT YOUR ORGANISATION. WHAT DOES IT DO? WHO DOES IT HELP IN THE ACTON COMMUNITY COUNCIL AREA? WHERE ARE YOU BASED? WHEN AND HOW OFTEN DO YOU MEET? HOW LONG HAVE YOU BEEN ESTABLISHED?

We are a Community Interest Company (CIC) created to support people living with Multiple Sclerosis (MS), a lifelong neurological condition that affects the brain and spinal cord. MS can lead to a range of symptoms, including fatigue, pain, problems with balance and movement, and difficulties with speech or vision.

It can have a big impact on a person's independence and confidence, and many people affected by MS become isolated, particularly if they can't drive or use public transport.

Our CIC was set up to provide social opportunities such as coffee mornings, lunches and informal meet-ups across Wrexham, giving people with MS, along with their carers and relatives, a chance to connect with others who truly understand their situation.

We don't have a fixed base. Instead, we use accessible community venues depending on availability. Events are planned based on demand and funding, with the aim of meeting every few weeks. The CIC was formally established in 2023, but we were running informal social support for MS locally before that.

Our organisers are based in Gresford, and we are aware of several people in the Acton area currently living with MS who would benefit from this funding and the events it supports. Everything we do is volunteer-run, and any funding received goes directly into helping people with MS feel less isolated and more connected to their community.

4. CAN ANYONE JOIN? YES/NO WHO CAN BENEFIT?

Anyone living with MS, along with their carers and family members who are also affected by the condition.

5. HOW MANY RESIDENTS FROM THE ACTON COMMUNITY COUNCIL AREA ARE MEMBERS OF OR BENEFIT FROM YOUR ORGANISATION?

We don't collect personal address data from attendees for privacy reasons, and detailed health data at ward level isn't available to us due to GDPR. However, based on national prevalence rates (approximately 222 people per 100,000 in Wales), it's estimated that around 300-350 people in the wider Wrexham area are living with MS.

Given that our events are open to anyone with MS, and we know of several individuals from the Acton area who are affected, we are confident that local residents benefit and will continue to do so. Our aim is to ensure that anyone in Wrexham, including Acton, who is living with or affected by MS feels welcome and supported.

While we are not only based in Acton, our events are open to all, and we know there are individuals in the Acton area living with MS who have already benefitted or would like to attend in future.

Our events are not just social, they offer peer support, friendship, and a chance for people affected by MS to feel understood and less alone. Even a small grant helps us make a big impact, especially by removing transport barriers for those who otherwise couldn't attend.

Wrexham City Radio

1. NAME AND ADDRESS FOR CORRESPONDENCE:

Wrexham City Radio

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

We are a 'not-for-profit' CIC, established in 2020, broadcasting 24/7 from our Studios in Eagles Meadow shopping centre, and run entirely by volunteers. We are looking for donations to carry on the vital work of the Station, including adding to our equipment offering in our two Studios, a podcasting suite to offer a podcasting service to local organisations and charities to utilise, such as Nightingale House, and further additions to our outside broadcast equipment offering to add robustness to the service we provide.

Last year, we attended several Events for outside broadcasting including:

- Wrexham Pride
- Garden Village Summer Fayre
- The Mayor's Charity Football Match in Gresford
- The Brymbo Rocks (Again) Concert

We are also in the process of developing our Studio in Eagles Meadow to offer a safe community space for interested parties who would be attracted by a future in radio production and presenting.

In order to do this, we need to invest in our current Studio space and equipment offering.

Our only income is from donations, advertising and sponsorship, and as such we would also be interested in exploring potential advertising and sponsorship opportunities from Community Councils like yourselves.

If financial assistance from your Community Council is possible, we would be keen to set up an official communication channel so that local events can be passed to us in advance, and we then advertise them on the Station to maximise attendance.

3. TELL US ABOUT YOUR ORGANISATION. WHAT DOES IT DO? WHO DOES IT HELP IN THE ACTON COMMUNITY COUNCIL AREA? WHERE ARE YOU BASED? WHEN AND HOW OFTEN DO YOU MEET? HOW LONG HAVE YOU BEEN ESTABLISHED?

- DAB
- Ask Alexa to play "City Radio"
- Wrexham City Radio App

- On our website
- Zeno
- Streema
- Radio Garden
- Get Me Radio
- Digital TV

As we broadcast to the whole of Wrexham Borough County, we know we touch many of the local Communities in different ways, even if just helping with loneliness and isolation.

This includes Acton and Maesydre.

As such we are looking to create real partnerships to ensure that residents are engaged, and made aware of local events and news.

As such, we make a concerted effort to advertise local community events across Wrexham, and where possible, we can attend local events to provide a musical outlet, and live broadcasts.

The "**Wrexham City Community Show**" is a weekly Show that is dedicated to shining a spotlight on the local Communities, focussing on the people and events, and chatting with guests who have an important story to share.

The Show spends time to tell listeners about local Events, such as coffee mornings, Summer Fetes, Christmas Fayres, etc and this has become a popular feature since the Show started over 12 months ago

NAME OF ORGANISATION: Marie Curie Daffodil Appeal

1. **NAME AND ADDRESS FOR CORRESPONDENCE:** Victoria Hardy, 9 Wynnstay Road, Colwyn Bay, LL29 8NB

2. **REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?**

This grant would support Marie Curie's Hospice at Home nursing service in Acton and the surrounding area (the Hospice at Home team and Companion service). From nursing and personal care to emotional support, the Hospice Care at Home service provides expert, hands-on care in the comfort of your own home. We can manage symptoms, help plan the care people need and provide emotional support, so patients and families feel safe, reassured and get the vital services which could otherwise be out of reach. In some instances, depending on the support needed, we may be able to provide our Urgent Hospice Care at Home service, bringing fast, responsive care so patients don't have to wait for the next scheduled visit and can avoid the anxiety of rushing to hospital. Hospice Care at Home services help people with any illness they're likely to die from, and the people close to them. We also offer our local Companion service, in which companion volunteers provide the emotional and practical support to patients and their families want – over the phone, at home, or in hospital.

We also meet at our office in Colwyn Bay. Marie Curie Nurses and healthcare professionals provide expert hospice care, whatever the illness, in the comfort of home. Whether you have months, weeks or days left to live, our services help provide you with clinical care and emotional support, assisting you so you're able to live the best life you can to the end. Everyone will be affected by dying, death and bereavement. That can't be changed, but the end-of-life experience can. Everyone deserves the best possible care and support, reflecting what's the most important to them. Over the next five years and beyond, our mission is to close the gap in end-of-life care. Between now and 2028 we'll design and deliver services providing the best possible care and support to people living with any terminal illness and those close to them. We want every part of Marie Curie to be a place where everyone feels accepted, respected, valued, and heard – whether they're staff, volunteers, supporters or the people we help.

NAME OF ORGANISATION: Acton Park Community Angling Club

1. NAME AND ADDRESS FOR CORRESPONDENCE:

Mr David Hall, 7 The Nook Saltney, Flintshire, CH4 8TZ

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

Due to ongoing cost pressures on the club we are looking for assistance for operating costs this year. The council have increased the licence cost by nearly 30% this year, timber and feed costs have also increased by 10-15% - so we are looking for assistance to help cover the increases.

We are a fishing club based on the lake in Acton Park, primarily we have the responsibility to look after the lake, fishing pegs, plants, shrubs and trees that surround the lake edge, but we have also undertaken projects that benefit all park users like the extension to the path by the old playground. ...

Although the lake is of benefit to our approximately 110 members (15 juniors anticipated) for the purpose of fishing we feel that the work we do benefits the rest of the park users as the improvements that have taken place to the lake and the surrounding edges is of benefit to all and over the years since we have been looking after the lake it has also become a much safer place for people to be around walking through, picnicking etc.

The club formed in 2008 and currently has a lease until 2025 – with negotiations ongoing to extend this. We meet as a group monthly with works being undertaken on the lake when every we can – but this mainly takes place during the close season when we do an intensive 4-week maintenance programme.

NAME OF ORGANISATION: WREXHAM SOUNDS

1. NAME AND ADDRESS FOR CORRESPONDENCE:

Olivia Gallagher, Railbridge Court, Main Road, Rhosrobin, Wrexham, LL11 4RL
oliva@wrexhamsounds.org

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

Wrexham Sounds is seeking £500 from Acton Community Council to deliver three, one-hour 'Music and Moments' workshops for older residents aged 60+ living in the Acton ward. The total cost of delivering these sessions is £180 per workshop (£540 total), and Wrexham Sounds will subsidise the remaining costs. 'Music and Moments' is a community programme designed to bring older people together through relaxed, inclusive music activities that support wellbeing and reduce loneliness.

Many older residents experience social isolation due to health issues, mobility difficulties or limited opportunities to take part in local activities. These workshops will create welcoming spaces where people can connect, enjoy music and take part in creative activities together. We have been in contact with the Acton Community Agent to discuss the demand for the project and potential beneficiaries in the area, and she has informed us that there are regular activities for seniors at Little Acton Community Centre and The Acton Resource centre including craft groups and coffee mornings, both of which would benefit from accessing the programme.

As our studio is located close to Acton, many local residents already access our on-site one-to-one services. This project aims to reach those who may not be able to travel to our studio or access our existing services, helping to make music more accessible and supporting more people within the Acton community. Each session will be delivered in a local community venue by an experienced music facilitator and will include activities such as group singing, playing instruments, music games and light movement. No previous musical experience is required, and sessions will be friendly and accessible for all. We expect 8-15 participants per session, meaning the project could benefit up to 45 older residents across the three workshops. These sessions will help participants build social connections, improve confidence and enjoy meaningful community activity.

3. TELL US ABOUT YOUR ORGANISATION. WHAT DOES IT DO? WHO DOES IT HELP IN THE ACTON COMMUNITY COUNCIL AREA? WHERE ARE YOU BASED? WHEN AND HOW OFTEN DO YOU MEET? HOW LONG HAVE YOU BEEN ESTABLISHED?

Wrexham Sounds is a not-for-profit social enterprise whose mission is to enrich lives and strengthen communities through music, supporting people facing health, educational and social challenges to build confidence, develop skills and improve their life prospects. We deliver three core services: Music for Wellbeing sessions led by our HCPC registered Music Therapists (referred by social services, charities, schools and families); instrumental and music technology lessons; and accredited and non-accredited courses and workshops for schools, community groups and care settings. We provide a safe, nurturing environment and deliver activities in our purpose-built studio in Rhosrobin, as well as across communities in Wrexham, Flintshire and Denbighshire.

Our studio's close proximity to the Acton ward means that many local residents already access our services, particularly music lessons and Music for Wellbeing referrals. These are mainly children and young people, although we also serve adults. With support from Acton Community Council, we would like to extend this work to reach more older and potentially isolated residents within the ward through the proposed workshops. Wrexham Sounds was established in 2015, and we have delivered services from our Rhosrobin studio since 2021.

Our Managing Director and Volunteer Directors meet monthly to oversee the organisation, and our studio operates Monday to Friday, delivering group activities, lessons and wellbeing sessions for the community. Between April 2025 and February 2026, we delivered 1827 music lessons, 348 Music for Wellbeing referrals, and ran 138 workshops and 44 courses. Demand for our services continues to grow as more individuals, families and organisations seek accessible, high-quality music provision that supports wellbeing, learning and community connection.

Alongside our core services, we also offer volunteering, work experience and performance opportunities to help participants build confidence, skills and a sense of belonging. We are an Ageded Cymru Assessment Centre and a Living Wage Employer. Through our work, we aim not only to deliver music activity, but to create lasting positive change for individuals and the wider community.

APPLICATION NO.6 – MARCH 2026

APPLICATION FOR FINANCIAL ASSISTANCE TO ACTON COMMUNITY COUNCIL (MADE UNDER SECTION 137 OF THE LOCAL GOVERNMENT ACT 1972, AS AMENDED)

NAME OF ORGANISATION: 1st Acton Rainbows

1. NAME AND ADDRESS FOR CORRESPONDENCE: Sue Davies, 7 Laurels Avenue, Bangor-on-dee, Wrexham, LL13 0BQ .

2. REASON FOR APPLYING FOR FINANCIAL ASSISTANCE?

As in previous years, our aim in 2026 is to provide new challenges and experiences for the girls to participate in as a group with their peers, rather than with their families. We have already enjoyed a performing arts session (as part of our Express Myself Challenge Badge), visited the Recycling Centre at Bryn Estyn Lane, and celebrated World Book Day at Wrexham Library. We joined the parade in Wrexham on St David's Day, learnt about Guiding in India as part of our Thinking Day celebrations (dressing up in saris was the highlight!) and enjoyed trying to pick up prawn crackers with chopsticks at our Chinese night, also learning about their traditions and culture for the year of the Horse.

Our activities are always linked to badges, the costs of which come out of funds. During this Spring term, we also have to pay our annual membership fee to Girlguiding UK which this year was £64 per girl and volunteer. This amount is not covered by term fees, so we do subsidise from funds, which is important to us as several families have more than one girl in the organisation and the financial burden can be significant.

At the end of this Spring term, we have a presentation night when 6 of our Rainbows will receive Bronze Awards, and one girl has gained her Silver Award. These girls have worked extremely hard and we are thrilled to be able to recognise these achievements. As always, we have new girls who started Rainbows at the beginning of term and they will be making their Promise at this meeting. Families are always invited to attend the ceremonies to ensure that everyone is involved in our programme and celebrations.

Plans for the Summer term activities are well advanced, with visits to the HACK Horse Sanctuary to see our pony Mouse, to Tesco as part of our Healthy Eating Challenge and to Alyn Waters for some fun outdoor activities. To focus attention on Earth Day in April, we will be litter picking in Acton Park and around the Garden Village area and are registered as Planet Protectors. These activities are particularly relevant in giving the girls a wider knowledge of the topics affecting our world today.

In terms of trips out, we have already booked to take part in an Adventure Fun Day in July at our County House in Abergele with other Rainbows from Clwyd. There will definitely be a Ten Pin Bowling night and we are intending to have a day trip to Chester using the service bus with a ride on a boat included. We also hope to join other Units from Wrexham Division for a bbq and on a trip to Knowsley Safari Park in September.

The grants received from Acton Community Council were key factors during 2025 in enabling us to provide a really full and fun programme for all our girls without asking our families for more money and we ensured that our parents were made aware of the generous provisions.

3. TELL US ABOUT YOUR ORGANISATION. WHAT DOES IT DO? WHO DOES IT HELP IN THE ACTON COMMUNITY COUNCIL AREA? WHERE ARE YOU BASED? WHEN AND HOW OFTEN DO YOU MEET? HOW LONG HAVE YOU BEEN ESTABLISHED?

Rainbows is the youngest section of Girlguiding UK and caters for girls from 4 to 7 years. 1st Acton Rainbows has been established for 13 years in its current form, having been opened following the closure of Wats Dyke Rainbows. We do not take 4 yr olds and our membership of 24 girls aged 5 to 7 years continues into 2026. Our girls are all from the Acton, Garden Village and Borrass areas and attend the local schools. Applications are largely by word of mouth as we have a very good reputation for providing a fun, interesting, challenging and fulfilling programme for all our girls. We currently have 20

girls on our waiting list. To comply with our required child:adult ratio, we have 5 adults and 1 Guide Helper. With the exception of myself, all our leaders live in the Acton, Garden Village areas.

We meet at Bethel Presbyterian Church in Kenyon Avenue every Tuesday in term time between 5.00pm and 6.15pm. We quite often organise trips/activities during half term or on weekends, particularly if the activity is likely to last longer than our usual meeting time, as with the performing arts session which was on a Saturday afternoon.

Although our programme is structured with 6 different themes – Be Well, Have Adventures, Skills for My Future, Take Action, Know Myself and Express Myself – we feel it is important to inject the fun element by introducing challenge badges, games/sports nights and charity fundraising. We continue to sponsor our Guide Dog (Clyde) and our pony at the HACK Horse Sanctuary. As part of our Thinking Day activity, the girls brought in “Thinking Day Pennies” which we donated to the World Association of Girl Guides and Girls Scouts which helps to support Guiding in less fortunate areas of the world....We also intend to hold a fundraising event during the Summer term and the girls are encouraged to decide on the charity they wish to support.

Due to the rise in the membership fee this year, we have increased our termly fees to £50. As well as membership subsidy in the Spring term, the funds are spent on rent (£20 per night), resources for craft sessions, programme and fun badges, and of course external activities. Our families are always very complementary about our meetings and are grateful that our charges are limited to the amount of termly subs.
