The COUNCIL is RECOMMENDED to review and confirm the existing adopted Standing orders and Financial Regulations are fit for purpose, subject to noting that a review of the Council's Financial Regulations will be considered very shortly.

6. LEGISLATIVE REQUIREMENTS UNDER THE LOCAL GOVERNMENT AND ELECTIONS (WALES) ACT 2021

A. REVIEW OF ELIGIBILITY AND CRITERIA FOR USE OF THE GENERAL POWER OF COMPETENCE:

The freedom of GPOC is available to local councils that meet three criteria for eligibility set out in The Act 2021:Part 2:s30 that came into force in May 2022 as set out below:

Condition 1: Proportion of elected members: Criteria Not Met

The Council should reflect the democratic views of the community. Local services are best provided within a democratic framework of local accountability. People who use local services should have as much say as possible in the way they are managed and delivered. The condition is for at least two-thirds of members to be elected. This includes those elected at by-elections and those elected unopposed. This means that the minimum number of elected councillors must be a whole number equal to, 9 or higher than, two-thirds of councillors

Condition 2: Relevant clerk qualification: Criteria not met

Any council which exercises the GPOC needs to be sufficiently supported when doing so. The Certificate in Local Council Administration (CiLCA) is widely recognised by the sector as providing a broad knowledge of all aspects of the community council clerk's work, role and responsibilities,

including the law, council procedures, finance, planning and community involvement. In accordance with the Eligible Community Councils (General Power of Competence) (Qualifications of Clerks) (Wales) Regulations 2021 ('the 2021 Regulations') which came into force on 5 May 2022, the clerk to the community council must have obtained at least one of the following, at the time, or before the council passes a resolution that it meets the criteria and is an eligible community council:

- The Certificate in Local Council Administration (CiLCA)
- The Certificate of Higher Education in Community Governance
- The Certificate of Higher Education in Community Engagement and Governance
- The Certificate of Higher Education in Local Policy.

Condition 3: Audit opinions: Criteria Met

Principles of transparency, professionalism and public accountability should be followed in all financial procedures of community councils. Adherence to an appropriate audit regime and the production of an annual financial statement should be cornerstones of a council's financial management practices. To meet this condition, the council must have received two unqualified auditor's opinions for two consecutive financial years from the Auditor General for Wales (AGW) – the latest of which must have been received during the 12 months ending on which the community council's resolution is passed. Community councils which have recent qualified audits will not be eligible to exercise the GPoC.

A local council must decide, at a full meeting of the council, that it meets the criteria for eligibility at that particular point in time. A resolution to this effect must be written clearly in the minutes of that meeting. The council is then required to revisit that decision and make a new resolution at every 'relevant' annual meeting of the council to confirm that it still meets the criteria (if it does). This means that eligibility remains in place until the first annual meeting of the council after the ordinary election even if the condition of the eligibility criteria has changed.

The COUNCIL'S INSTRUCTIONS ARE REQUESTED

B. ANNUAL REPORT FOR 2026/27

Members are advised that Section 52 of the Local Government and Elections (Wales) Act 2021 requires the Council, as soon as reasonably practicable after the end of each financial year (31 March), to prepare and publish an Annual Report about the Council's priorities, activities and achievements over the previous year. In May 2025 (Minute 8.5.2 refers) Members considered a draft of a combined Annual Report which also referenced the requirements of the Well-being of Future Generations Act (Wales) 2015 to demonstrate how the Council's work contributes to the objectives of this legislation given that the Community Council's payments for the last two years and its Precept is above the £200,000 threshold.

The Annual Report for 2025/26 in the spirit of openness and transparency to residents referenced the financial/budget information and sets out key policy objectives alongside a Wellbeing matrix. The 2026/27 Annual Report is still being prepared and will be circulated separately to Members and once approved should be published on the Council's website.

The COUNCIL is RECOMMENDED to APPROVE the Annual Report for 2026/27 once prepared and presented to the Council and to INSTRUCT the Clerk to make arrangements to publish the Approved Annual Report for 2026/27 on the Council's website.

The Council notes the limit permitted by Section 137(4) (a) of the Local Government Act 1972. For Parish and Town Councils in England and Wales, an amount of £11.10 per person of the Community Councils' population was permissible for 2025/26. The total number of Acton Community electors at 1 January 2025 was 10,343. These powers enable the Community Council to incur expenditure of up to £114,807.30 in 2025/26 which in their opinion is in the interests of, and will bring direct benefit to their area or any part of it or all or some of its inhabitants. These are a power of last resort and the powers cannot be used to give a Grant or Financial Assistance to any one individual person.

The Council has not resolved to declare itself to be a Competent Council, therefore there is nothing to be included for such spending under Section 137 Powers and limits during 2025/26.

Total Spending using Section 137 Powers in 2025/26 = £33,634.96
